Once you have registered, we will mail your Entrant Float Number to the Contact Person's name on this form. We ask that you do your best to lineup in numeric order, so we may place your float in the appropriate spot (*Wishful thinking, we know, but let's give it a try*). We are hopeful that this will help everyone in organizing the whole process of the parade.

We hope you will consider joining the parade and welcome and encourage all. The smiles, the enthusiasm of the crowds, the many volunteers and overwhelming response to this event, now our 89th, is a tradition not to be missed. FIHS.
